"The Rock Is Rolling!"

The Holiday Season has come and gone and soldiers now have their eyes on the prize. ..

3-6-5 and we are outta h
Company from Manheim,
They are currently in Kuwait receiving their equipment and preparing for the long convoy up to LSA Anaconda. In speaking with the inbour Commander, their soldie are very motivated and look forward to relieving 240th Rock soldiers so that we can reintegrate back into civilization.

For all those in the rear who want real time news on redeployment, remember to ask your the Rear Det CDR or 1SG they will have the info you desire.

LOG WARRIORS RETURN!

Bon Voyage to five of America's Heroes. **SSG Smith, SGT Jackson, SPC Wedderburn, SPC Martinez A., and SPC Pace** all came forward to Kuwait 365-days ago to assist with establishing an all class of supply warehouse. These Logistical Warriors assisted with laying the foundation for the materiel pipeline that exists today. Their long days and short nights have made a tremendous impact on the success of the Combat Forces in Iraq. As the Commander, I
